

# DONATE FOR A NEEDY CAUSE

Becker Training Academy, LLC, a tutoring company in Hillsborough, NJ, has recently created a program for children who need assistance with subjects in school, but whose families cannot afford it. We are also creating a program for Special Education Children – Children with ADD, ADHD, CP, and Autism, who need assistance.

This tutoring assistance will provide a valuable asset to these children, in the hope of having their education enriched, to the point where they are successful in and outside the classroom.

The mission of Becker Training Academy is to educate children and adults in the State of New Jersey that need assistance either with school or with functional literacy - Reading and Writing

## PLEASE HELP US MAKE A DIFFERENCE TO STUDENTS IN NEED!!

Please make your check payable to: Becker Training Academy Foundation, 1278 Millstone River Rd., Hillsborough, NJ 08844
